CHAMBER NEWS:

For all you business members there is a variety of discounted insurance products, such as group health insurance, dental insurance, long term and short term disability, accidental death, long term and term life insurance available to you through the MemberCare Alliance of Talbot County. This is designed especially for small businesses Chamber Members, who could not otherwise afford group health insurance. I have included in the mail out, an e-mail that came to me recently regarding new dental coverage that is now available. There is a number on the flyer if you are interested, or you can contact me at the chamber. It is a very reputable company and the insurance is through Blue Cross Blue Shield. It is one of the things the Chamber is doing to help support our businesses.

There will be a meeting of those who are interested in helping with the Fall Line Festival on Thursday April 17th at 6:00 p.m. at the Chamber Building. We need help with all areas, so please come.
