TALBOT COUNTY CHAMBER OF COMMERCE FALL LINE NEWSLETTER

CHAMBER NEWS

The Fall Line Festival for this year is fast approaching. It will be Saturday, October 11th. This year we hope it will be bigger and better than ever. The car show will be a big part of it again this year. Ashton Allen has agreed to head this up as she did last year, and did such a great job.

We are looking for vendors, so please spread the word. The Episcopal Church will be open for tours, and we hope to have organ recitals like they did last year.

One new attraction that we plan to add will be historic buggy rides with narratives of Talbot County's rich history. Applications for vendors and the Car Show are available at the Chamber and on our website at: www.talbotcountychamber.org

Please make plans to attend the Public Meeting being held on Thursday, August 21st at the Chamber. There is an informational ad next to this column. They are holding public meetings in all the counties that will be affected by Fort Benning's growth. This will definitely affect us and we need to be how.

NEXT CHAMBER MEETING

The next Chamber Meeting will be Monday, August 18th at 7:00 p.m. at the Chamber Building. We had a good turn out last month and hope to continue that record!
